Atkinson Academy will be a William Glasser "Quality School" and follow the Quality School Model. We want our students to believe and have a value that education will add quality to their life. We will serve Kindergarten through

twelfth grade students in an environment that empowers students to be lifelong learners and responsible and engaging citizens. Students and teachers are taught Choice Theory to reach a common ground in establishing a supportive caring environment and in building healthy relationships that contribute to school success.

Glasser Quality School Criteria

- ◆ Creates and maintains a joyful, positive, supportive learning & working environment.
- ◆ Total learning competency is expected of all students.
- ◆ All students do competent and quality work.
- ◆ Participate in the study of Choice Theory & the Glasser Quality School Model.
- ◆ Students do well on measurements of learning & school performance.
